## 'INS' BEAT 'OUTS' IN STATE FIGHT FOR NOMINATION

State House Crowd Won Out, It Is Apparent Today.

Organ, Cook, Ross and Botkin Probable Winners.

## LITTLE INTEREST OVER STATE

Only Local Contexts Were Able to Bring Out Votes.

Miller, Guyer, Benton and Simmons Lead for Congress.

## WARM FIGHT FOR TREASURER

Payne, Cook and Weightman in 3-Cornered Draw Now.

Lizzie Wooster Is Crawling Up on Superintendent Ross.

## REPUBLICAN NOMINEES.

Governor—Arthur Capper, Topeka. Supreme court justices—Judson S. West, Topeka; Silas Porter, Kansas City. Lieutenant governor—W. Y. Morgan, Hutchinson. Secretary of State—J. T. Botkin, Galena.

State Treasurer—Wylie W. Cook, Kansas City; Walter L. Payne, Burlingame (runner-up); Frank Organ, Shawnee. Auditor—Frank Organ, Shawnee.

Superintendent Public Instruction—W. D. Ross, Topeka, leading. Attorney General—S. M. Brewster, Troy.

Superintendent Insurance—A. Carey J. Wilson, Topeka. State Printer—W. R. Smith, Columbus.

Congressional Nominees. First District—D. H. Anthony, Jr., Leavenworth. Second District—U. S. Guyer, Kansas City, probably leading. Third District—Phil P. Campbell, Pittsburg.

Fourth District—Clyde W. Miller, Miller, leading. Fifth District—Charles M. Harger, Abilene. Sixth District—Otis L. Benton, Oberlin, leading.

Seventh District—John S. Simmons, Hutchinson, leading. Eighth District—Thomas C. Wilson, Wichita.

Democratic Nominees. There are three contested offices—governor and congressmen in the First and Third districts. W. C. Lansdon holds slight lead over Ben S. Catkull for governor. Dr. Eva Harding leads over Rev. H. J. Corwin in the First. W. S. Hyatt, Parsons, leads T. J. Karr, Girard, for congress in the Third.

Incomplete returns from more than half of the counties which participated in Tuesday's state wide primary add to the uncertainty of results on state treasurer, auditor and superintendent of public instruction. Wylie W. Cook and Walter L. Payne are in the hottest sort of a fight for treasurer. Frank Organ's early lead for auditor has been reduced by Dan Dyer and Fred Knapp, while Lizzie Wooster is running W. D. Ross dizzy in his effort to perpetuate himself in the state superintendent's office.

The lineup in the state primary fight this afternoon apparently leaves the "ins" better entrenched than the "outs." But the fight is decidedly hot. The official count may be necessary to settle several contests. In the race for secretary of state J. T. Botkin is renominated, although he has lost several important trenches. Justice Silas Porter is renominated. Faint returns, though, will show that the public's slight acquaintance with the judiciary cost Judge Porter several counties.

The big fight of the primary was the contest of the four congressional districts over the "outs." This fight carried a combination of interests of assistants in office and aspirants to first place, and present officials who desired renomination. These interests were thrown against the "outs" who wanted to get in. Four congressional fights brought out heavy Republican votes in the Second, Fourth, Sixth and Seventh districts. The Democratic vote was unusually small. Local contests whittled interest of the voters in many counties. But the vote for state and congressional candidates fell far short of the vote on county candidates.

Ross Has Fight of Life. With returns from a few counties far from complete, W. D. Ross is having the fight of his life to stay in office. Miss Lizzie Wooster has piled up a plurality in the Ross column. Apparently Ross is holding a slight lead on the face of returns reported.

Big Wooster vote came this afternoon from Riley, Dickinson, Saline, Republic, Mitchell, Geary, Wabasha, Reno, Bourbon and other counties, putting the Saline woman strong in the race. Ed Payne has apparently carried Lyon, his home county, with Miss Wooster second in the running.

The strong showing which Frank Organ made in the early reports of late auditor has been reduced until the result is a matter of speculation. Organ is in the lead. But both Dan Dyer and Fred Knapp are right at his heels on returns reported. The Knapp vote is one of the surprises in the primary. He has carried a number of counties while Dyer is making a strong fight for the nomination.

Treasurer Much in Doubt. There is a chance for a shake-up in the returns on state treasurer, although Wylie W. Cook of Kansas City, is in the lead and politicians believe the returns indicate his nomination.

Walter L. Payne of Burlingame, whose big gains this afternoon placed him in the lead for state treasurer.

## AFTER 6TH TODAY

With Henning Pitching, Savages Expected to Win Again.

Doyle's Injury Will Not Keep Him Off the Mound.

Today's Lineup.

Lincoln. Topeka.  
Cochran, 1b. Doyle, p.  
Williams, ss. Decker, c.  
Thompson, cf. Cochran, 3b.  
Lattimore, 2b. Goodwin, 2b.  
Hunter, 1b. Kruger, c.  
Morris, 3b. Agler, 1b.  
Hobbs, 3b. DeFate, ss.  
H. Smith, p. Monroe, c.  
H. Smith, p. Henning, p.

Another win for Lincoln this afternoon would give the Savages a record of 10 wins and 10 losses. Doyle's injury will not keep him off the mound. It is expected that he will be ready to work the next time he is called upon.

The expected announcement of further additions to the pitching staff has not materialized, but so long as Engle can continue to win with Stallings tactics there is no cause to worry, and it is argued that it is better to have four reliable pitchers than to have unreliable ones who would have to be relieved after they had put the club in a hole. However, Savage states that he is still doing his best to land two good twirlers.
